

THE MARKETS.

CHARLESTON MARKET—Oct. 11.

Cotton—The receipts of the week reach 2847 bales, and the sales in the same time are 4225 bales—see quotations.

Rice—The operations have almost entirely cleared the mills in the vicinity of the city, of the residue of the supply of the old crop. Several parcels of new, in the rough, have reached the market within a few days, and a sample from a cargo was put on the market yesterday, but the sale was not effected. The receipts of the week reach 1109 tierces, and the sales comprise 1646 tierces, as follows:—264 tierces at \$44; 92 at 4 9-16; and 1290 tierces at \$43.

Rough Rice—The receipts of the week comprise 9000 bushels, the bulk of which has been sent to the mills. We quote, nominally, \$1 15 a \$1 25 per bushel—the last sales having been made at the former price, while the latter rate was asked yesterday for 3000 bushels.

Grain—There have been no arrivals of Corn during the week, and our quotations for the present are nominal. About 1500 bushels Maryland Oats have been received since our last, and taken by a dealer at 36c. per bushel.

Lard—Small lots from store have been selling during the week at prices ranging from 8 1/2 to 9c. per pound.

Bacon—The market for this article is at a stand, and present quotations are nominal. There was a sale at auction of 16 casks Shoulders at 6 1/2c per lb. Extracts Courier Price Current.

NEW YORK MARKET—Oct. 11.

Turpentine, Wilmington, soft. \$2 8 1/2 a 2 8 7/8
Washington and Newbern, 65 a 80
Rosin, 40 a 42
Spirits Turpentine, gall. 2 00 a 4
Tar, 4 37 1/2 a 5 00
Rice, 6 1/2 a 10
Cotton

Naval Stores—In Turpentine we notice a slight advance, 800 bbls Newbern having been sold, since our last, at \$2 93 1/2 per 280 lb. The late operations in Rosin having left the market nearly bare in first hands, we have no further important transactions to report. Among the sales previously noticed was one contract (made on Tuesday afternoon) for 40,000 bbls. North County, deliverable here in 12 mos., at 80c., which is a large advance on previous prices. We hear also of one purchase in Wilmington for this market, of 60,000 bbls., we believe, not included in our previous report. The market now is in an unsettled state, though very firm, and we understand there is none to be had under \$1 per bbl., at which rate small sales are being made. We notice sales of 200 casks southern Spirits Turpentine, from the wharf, at 40c., cash, and in lots, 41c., cash, and 42 a 43, 4 mos. Tar is still at our quotation.

Rice—Since our last report, the transaction have been moderate, but at full prices. Since Wednesday morning, about 200 tierces and 60 bbls. have changed hands at \$4 50 a \$5 25, the latter price for superior.

NO HOAX. Charles Barr

CANNOT boast of being the best TAILOR that has ever been connected with the trade in Wilmington, or of having made the grand tour, either of Europe or even of our own universal Yankee-doodleland, but he can say, without flattering himself, that he is a Master Workman, and although he has not graduated from such splendid shops as Beau Bremmel, or Count D'Orsay loved to patronize, yet he pledges himself that all who may honour him with their custom, shall secure a regular-built Southern fit; either Tights, Anti-Tights or Medium-tights.
